

## World Book Online Encyclopaedia

[www.berribarmeralibrary.org.au](http://www.berribarmeralibrary.org.au)

### Access Details

Look for the World Book logo on our home page and click on the link. When the new window opens you will be required to enter your library membership barcode number to gain access to the database. It must begin with an x, please contact us for a new card if it does not.

### Description

An online encyclopaedia including "Research Tools" with Dictionary, Atlas, Explore Australia, Explore the World, Today in History options. A "Create and Save" section offers My Research, Pathfinders, Citation Builder and Timeline organiser. "In the Headlines" gives updates on news issues and a "Primary Sources" tab offers links to e-books. "Your Most Viewed Articles" will store journal searches and articles for future reference and has email or print options. There are also links to World Book Advanced, World Book Kids and World Book Student

The **Discover** module (accessible from the tabs on the bottom of the home page) offers engaging reference resources including articles, text to speech capabilities, learning & life skills activities, research tools, multimedia & interactive videos. You can create your own account within the database and save your research for future reference.

## Press Display

[www.berribarmeralibrary.org.au](http://www.berribarmeralibrary.org.au)

### Description

Press Display provides instant online access to newspapers from around the world in full colour, full page format.

Read a newspaper in your own Language. Many have an audio capability so you are able to listen to articles in other languages also.

Photographs accompanying articles are included and can be enlarged.

*Go to the 'Resources' tab on our webpage, then 'Online resources' and follow the link.*

## Forward IT

[www.forwardit.sa.gov.au](http://www.forwardit.sa.gov.au)

A great website to head to if you need information on how to use Facebook, Skype, Email, banking, Internet TV, shopping, booking travel, cybersafety, podcasts, blogs, passwords etc. This site will assist you with mobile phone hints, tablets, laptops and general computing queries. There's also info about computer operating systems such as Windows 8.

## e - Library

[www.berribarmeralibrary.org.au](http://www.berribarmeralibrary.org.au)

### Coverage

Online newspaper, periodical and e-book database with current information from around the world. Updated daily.

### Access Details

Look for the e-Library link on our website under the 'Resources' tab then 'Online Resources'

Contact the Berri Library for login details to this database

### Description

eLibrary® is the ultimate resource for digital full text and multimedia. It combines remarkable content with innovative technologies that deliver next-generation search features, online applications, personalization tools, video and interactive content, and much more.

Collections include full text from over 2,100 periodical, news, and e-book sources; over 3 million pictures, maps, websites, audio and video files; custom study units, quizzes, and syllabus tools.

## Website and Library Catalogue

[www.berribarmeralibrary.org.au](http://www.berribarmeralibrary.org.au)

All library members can access our online catalogue and databases via our website, from a computer with an Internet connection or from your mobile device connected to the web. You can search for resources, place holds on items and renew your loans.

You will need a 'Berri Barmera Library Service' ID card and a PIN to activate your account. The PIN is your date of birth in YYYYMMDD format. This can be changed via the website or at the library desk.

You will also find information about our 'Overdrive' e-books and e-audiobooks and how to download them.

There are links to the databases that we provide and check out our news posts to keep you up to date with library events. You will find book reviews to read and our brochures and newsletters are available to download. Look for a link to our Berri Library Facebook page where we hope you will 'like' us!

*Please call the library if you have any queries or problems accessing the website or catalogue.*

***We are here to help!***

Road to IELTS is a self-study IELTS preparation course produced by the British Council to help candidates prepare for the IELTS exam.

It provides access to free online self-study materials to support IELTS General Training and IELTS Academic test preparations.
