A Kangaroo ate my library book!

This the best excuse we've heard so far!

And it's from one of our staff members!
Sometimes you've just got to laugh! Its a good way to keep warm this winter!

Here's another story we heard recently....

A man in a movie theatre notices what looks like a kangaroo sitting next to him. "Are you a kangaroo?" asked the man, surprised. "Yes." "What are you doing at the movies?" The kangaroo replied, "Well, I liked the book."

Below are some pictures showing just a sample of what's been happening at Barmera Library during the past few months.

Advance Notice! Coming In October!

October 17th this year is the 'go - live' date for our library network to join the State-wide One card consortium. The One Card network will provide easy access to the multitude of resources held at SA public libraries. Library members will require just one library card to borrow at participating South Australian public libraries. Stay tuned for more details of this exciting move in the next few months.
