

## Free, fun digital skills sessions for seniors

Digital literacy skills are essential for anyone who wants to actively engage with family and friends across the country and the world.

Join one of our friendly training sessions supported by local library staff where you can learn how to get online and then build your digital skills.

The training is designed to make it easy for you to safely and confidently get connected and learn at your own pace. Find out how to access all the important information you need and things that you are interested in.

### Learn skills in:

- Email
- Social media
- Internet banking
- Using apps
- Online hobbies including researching local and family history
- Smartphones and tablets
- Online shopping
- Cybersafety
- Sharing photos

We also have easy to follow educational videos to help you learn more about technology at [www.telstra.com/seniors](http://www.telstra.com/seniors)

### Beginner's Guide to the Internet #1

Friday 6 August 2-3.30pm

This workshop will walk you through the very basics of the internet: how it works, how to get online and how to surf the web. At the end, you should be able to sign up for an internet service and access and search the internet on your home computer.

### Beginner's Guide to the Internet #2

Friday 20 August 2-3.30pm

We'll explore features of your web browser that can make navigating the web much easier, look at important browser add-ons for looking at music and videos and get onto some of the best sites for common things you might like.

### Taking Photos Saving & Basic Editing

Friday 3 Sept 2-3.30pm

Learn to take a photo with your phone or tablet/ipad. Find where they go once you've taken them & sort them into albums Play with some basic editing: cropping, adding text and artistic effects!

### Sharing Photos & Other Attachments on-line

Friday 17 Sept 2-3.30pm

We'll learn how to attach files to your emails. Then we'll look at how you can use your Facebook account to upload individual photos and entire photo albums to the web, for viewing by anybody on your friends list – or in the world, if you choose!

### What to Bring

- Your Android or Apple Device (depending on the session).
- Passwords for your Apple account (Apple ID), Google account, email address and/or Facebook account (depending on session)
- Readiness to learn and help others learn too!

If you don't have your own device, let us know when you book and you can use one of ours.

### What We Provide

- A friendly Trainer
- Hand sanitiser—and you'll need to sign in according to Covid requirements with our QR code or on paper.
- Space for Physical Distancing
- A large screen so you can see what our trainer is doing on their device.
